A REFINED TOUCH

All Heartridge floors are crafted to reflect the true beauty of wood. The intricate details of the timber grain, colouration and finishing of each plank will ensure your floors are the highlight to any room.

BUILT TO LAST A LIFETIME

Our floors are certified with a structural guarantee to last and perform for a lifetime. Feel at ease and enjoy the peace of mind, knowing this Heartridge promise is backed by a lifetime structural warranty.

THE HEARTRIDGE ADVANTAGE

Built to last with a 30 Year Surface Guarantee you can feel at ease knowing your floors will stand the test of time.

Inspired by timber flooring, each Luxury Vinyl Plank is separated by a micro bevel edge to add a genuine finish.

Strong enough to endure even under the pressure of light traffic commercial use, Luxury Vinyl Planks will perform for decades.

A low gloss finish protects and highlights intricate embossing, so your floors glow with the natural beauty of timber.

Heartridge Vinyl Plank floors require no glue and are equipped with an angle lock to securely join each plank together.

Each plank is intricately embossed, giving your floors a rich texture to suit any décor. With a 0.55 Heavy Duty Wear Rating, you can be confident they'll stand up to daily family life. The angle lock system makes our flooring simple to install and the low maintenance cleaning surface will keep your floors looking brand new and your home beautiful.
